

# Ladymount Catholic Primary School

*'Love one another, as I have loved you'*

20th April 2018

Dear Parents and Carers,

The Year 5 children have had a fantastic week in Plas Caerdeon! Those of you who follow Ladymount on Twitter will have been kept up to date with all the activities the children (and staff!) have been enjoying. Having spent the first couple of days with the children I know first hand how well they are doing, they are an absolute credit to Ladymount. I'd also like to say a big thank you to all of the staff who have given up so much of their time to go with the children .

Yesterday we had our first Family Works session, the F2 children put on a fantastic version of the story of the Gigantic Turnip, they all acted and spoke out beautifully.

Have a lovely weekend, hopefully the sunshine will last!

N. Turner (Headteacher)

## St George's Day

**St George,**

With courage, you stood up to those in power, to tell them that what they were doing was wrong. Pray that we, too, may have courage to stand up for what is right, with God's help.

You were not ashamed of your faith. Pray that we, too, may be proud of our faith, and may cheerfully show the love of Jesus in all that we do.

St George pray for us,

**Amen**

We are a Food Allergy Aware School

We have a number of children in school with severe allergies to peanuts and nuts. Because of the severity of these allergies we are asking you to be mindful of this when sending food into school .

If you decide to send in treats for birthday celebrations, we encourage you to send in nut free treats.

If your child does have peanut butter, Nutella or other products containing nuts in their lunch please

encourage them to wash their hands after eating.

Thank you for your co-operation in this matter.

### Sun Cream and Hats

Now the weather seems to be improving please make sure your children bring in a hat and suncream, both named. Children should be encouraged not to share their suncream with anyone as some children could suffer an allergic reaction.

### Lunchtime

If you provide a yoghurt in your child's lunchbox, we would be grateful if you could supply a spoon for them to eat it with. We seem to have a shortage of spoons and we're not sure if children are accidentally taking them home or accidentally throwing them away with the yoghurt pot.

### Prayers

We ask you to remember Gill Potter, our Pre-School Leader, and Claire Corey-Jones, also Pre-School staff, and their families in your prayers this week as they have both recently suffered the loss of a parent.

Also, in the interests of health and safety, if you are providing grapes for your child they **must be** cut in half.

## Plas Caerdeon

Year 5 are returning today from their residential trip to Plas Caerdeon. From all we've heard they've had a wonderful time, as those of you who have been following our Twitter Feed will know. Here are a few pictures to show you some of the activities they have been doing.

### Mrs Murray

Please remember Mrs Murray in your prayers over the next few weeks as she is not very well. Mrs Murray taught here at Ladymount for 29 years and is a very special member of our Ladymount family.

### School Fund Gift Aid

Thank you to everyone who supports the school with regular gift-sided donations through the bank. Please be aware that our bank details have changed so you might have noticed that money has been returned to you by the NatWest Bank. If this has happened please contact Mrs De Silva in the school office from Wednesday to Friday and she'll be able to give you the new bank details. If anyone would like to support school in this way Mrs De Silva will be able to give you the details.

### Staff Car Park

Please be aware that the school car parks are reserved for staff and visitors and **not** for parents dropping off or picking up their children. It is very busy at the beginning and end of the school day and it is impossible to see who is walking down the road as you pull out of either car park.

### Dogs

In the interests of Health and Safety, dogs are not allowed on the school premises. Please leave them at the gate when you drop off or pick up your child. We have had a couple of incidents of dogs fouling the playground, which is obviously a health and hygiene issue, and we are aware of some children, and indeed adults, being wary of dogs.

Thank you for your co-operation in these matters!
