Dear Parents and Carers,

I hope that you have had a good week. Congratulations to Robert in Year 6 who represented Wirral in the northern qualifying rounds of a national chess competition last weekend. He won all of his matches helping the team to progress to the national competition. Well done Robert!

Maths Multiplication Workshop – 2:45pm on 11th April

During the workshop, we will look at ways to support your child in increasing their fluency in recalling multiplication facts. This is particularly pertinent to parents of pupils in Year 4, who will be taking the Year 4 Multiplication Check (MTC) in June. We will also look at what the MTC is and how it is administered. Please complete the Google Form if you would like to attend. [Multiplication meeting.](#)

Phonics Workshop – Wednesday 27th March at 9:15am

On Wednesday 27th March there will be a meeting for all of the parents and carers of children in Year 1 about the Phonics Screening Check that the children will be taking next term. It will be a good opportunity to find out what the Phonic Screen entails, how to help your child at home and to catch up with other parents / carers over a cup of tea / coffee and a biscuit!

Nuts

Can I remind parents and carers that we are a nut free school. Please do not send any nut based products, including peanut butter and Nutella, into school in your child's lunch boxes. We have a number of children in school who have nut allergies and this is to keep everybody safe.
