

3.3.23

Dear Parents and Carers,

I hope that you have all had a good week. The children (and staff all had an enjoyable time yesterday at our World Book Day celebrations. They all looked very smart in their customised t-shirts and every child too a new (to them) book home from the 'book swap'.

Penny Chrimes – Author Visit

On 14th March, Penny Chrimes the author of Wilder will be visiting the children in Year 5 and 6 to talk about being an author. Copies of the book can be ordered via ParentPay for a charge of £7.00.

'A desperate village. A child who emerges from the marshes. A falcon that helps her save them all.

The child - if child it was - came out of the wild-ness. It came out of the sparse bleak marsh where few dared go and none came back. And though the village grew accustomed to the creature they did not forget from whence it came.

And they whispered that there was no knowing whether she was sent as a blessing or a bane.' When the child emerges from the wilderness, no one in the village knows what to do with her. She is odd - half-wild, without speech and seems to have an unnatural bond with animals - especially the falcon, who is always circling above her. The Wise-Woman takes her in, and names her Rhodd, but the rest of the villagers remain suspicious.'

Thank you

Quidditch Event Day

On Friday 10th March, we are having a Quidditch event day in school. This is a very exciting opportunity for all children to try a sport which they may have never played before. Throughout the day, each year group will have a Quidditch session with experienced coaches. Please can all children wear their PE kits to school on this day (FS2 Ladybirds - Year 6).

Communication Review

As part of our school development plan this year we are reviewing communications at all levels, including the website, newsletters, social media etc. We are looking for a working party made up of representatives from different groups in the school community. We are particularly looking for parents and carers who have experience in website design, social media and visual merchandising. If you would like to be part of the working party please contact me directly via email (headteacher@ladymount.wirral.sch.uk) giving a brief outline of why you would like to be part of the working party, thank you.

Attendance – Every Day Counts

It is a well-known fact that good attendance and punctuality at school give children the very best chance of success at school. Whilst we acknowledge that children are unwell and unable to attend school from time to time as a school we promote the belief that 'Every Day Counts'.
