## KS2 Sports Day 2018

Dear Parents/Carers

As you will be aware Sports Day for KS2 children will take place on Tuesday 3rd July starting at 1.30pm. As usual the children will be competing in their houses.

### Organisation

We are planning for a procession of the 'houses' before the activities take place and children will perform one of the 'Wake and Shake' routines to begin the Sports Day (parents feel free to join in too!). Therefore, we would ask that on arrival, please gather **on the far side of the playground** (past the play equipment) as we do for the usual morning 'Wake and Shakes.' The children will be brought house by house through the fire door on the KS2 side and down the steps on the junior side ready to dance. They will then be lined up in their classes and taken down to the field by their class teacher to compete in the events. As in the previous two years, the afternoon will consist of a rotation of five events (sprint race, hurdles race, javelin, bean bag throw and egg and spoon) and there will be a rest station under the shade of the trees at the bottom of the field. We will mark out the area from which you can move around to get the best view of your child(ren) as they move around the events. We will then gather the children at the end to announce which house has won. As is customary, there will be a fun parent race to finish our Sports Day and the children would love to see as many of you taking part as possible!

### PE kit and sun safety

All children should compete in the correct Ladymount PE and they should wear trainers. Please ensure that your child has a sun hat with them and has sun cream applied before school. They should bring sun cream to further apply a layer at lunchtime.

### Water

Children should bring a labelled water bottle to take out to the field with them. There will also be additional water at the two rest stations. We will also have a little 'cold treat' for the children at the end of the event while we announce the winning house.

We hope that you will enjoy the event and we look forward to seeing you there to cheer on your child(ren)!

Kind regards

The KS2 Team
