

Sport Premium Funding 2020-2021
£18,200

Area of Expenditure	Planned Action	Funding Breakdown	Impact	Evidence	Sustainability
Assessment & Tracking	PE Passport assessment app - Assessment, planning, extra-curricular tracking for all teachers to access.	£400	Staff had access to high quality teaching plans that they can use and adapt for their PE lessons.	High quality teaching took place in PE lessons and attention drawn to the importance of our general health, impact sports has on our body and understanding the importance of PE rather than just teaching a game.	Staff have a better understanding of the importance of the wider aspects of PE and therefore providing in depth teaching/learning.
Staff CPD	<i>ASA Swimming Course</i>	£156	<i>Cancelled due to Covid-19</i>		
	CPD Training with sports leader - x2 per week training for staff member to deliver sports sessions after school and lunchtimes.	£4680	Teachers will be upskilled in areas that they feel needs further development and improve their confidence in these areas so that they are able to deliver high quality lessons.	Some teachers benefitted from this however some had to be cancelled due to Covid restrictions. Teachers that received the support now feel more confident in these areas.	Teachers that have learnt new skills can share these with other members of staff and share quality teaching.
Whole School Wellbeing	Mini Mermaids x1 sessions - Programme to develop confidence, set goals and achieve their potential. Young Tritons - Programme to develop confidence, set goals and achieve their potential.	£475 £450 Total - £925	Completed one set of Mini Mermaids. Children who took part have enjoyed the programme and staff have reported happier and more confident children as a result. Young Tritons postponed due to Covid.	X1 session each week for $\frac{1}{2}$ term. Girls completed a journal alongside the sessions and throughout reports of an increase in confidence.	Continue to offer a programme to influence and encourage confidence through sports, focussing on female only sessions so that they feel comfortable in sharing thoughts and opinions as well as working on their own self esteem.
